+ STANDARD PROFILES

TAKLER®
aluminium extrusion

Takler is a group of people who have always had
a single territory of reference over time: the world.

Free people are those who are not afraid to try, to experiment, to dare.

They are people who have the courage to take risks
and bring innovation to every field and beyond every border.

Lorenzo Lorusso

CEO

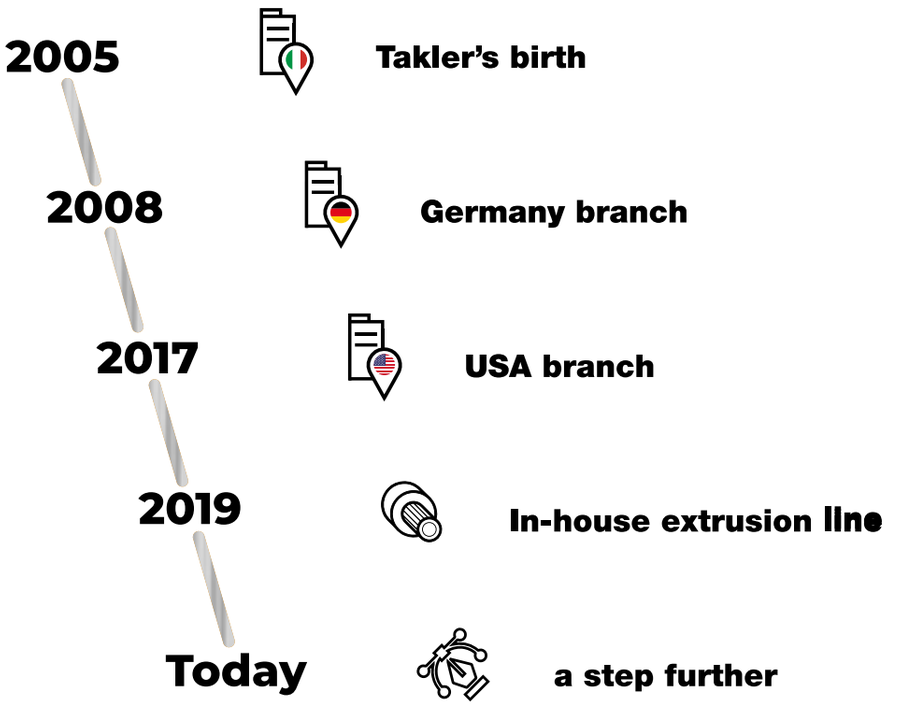

Evolving has always been our way of being. It is the only way to fulfil our commitment: creating innovative solutions to be a step further for efficiency, quality and safety.

Evolvere è il nostro percorso, da sempre. È l'unico modo per restare fedeli alla nostra missione: produrre soluzioni innovative, sempre un passo avanti per efficienza, qualità e sicurezza.

Selbstentwicklung ist immer unser Weg. Es ist der einzige Weg, um unserer Verpflichtung nachzukommen: Innovative Lösungen zu schaffen, die einen Schritt weiter für Effizienz, Qualität und Sicherheit sind.

Progresar es nuestro camino, desde siempre. Es la única manera de parmanecer fieles a nuestra misión: producir soluciones innovadoras, siempre un paso adelante hacia eficacia, calidad y seguridad.

Evoluer représente notre chemin depuis toujours. Il est le seul moyen d'être fiel à notre mission : créer des solutions innovantes, qui soient toujours un pas en avant pour qualité, sécurité et efficacité.

a step further
